*Ex-25*

25. In a vehicle having an enclosure for passengers, merchandise, or equipment, and at least a rear door, the improvement comprising:

a hidden storage system mounted in at least one side of said enclosure without substantially altering an external appearance thereof and including:

a storage box fixedly secured to said at least one side of said enclosure,

*C3*

*Ans C3*

A5 D  
(cont) ~~and C~~ said at least one side of said enclosure having at least ~~one~~  
section thereof hinged such that outward movement thereof enables access  
to an interior of said storage box, and

~~and~~ a lock/latch assembly for securing said at least one hinged  
section to prevent outward movement thereof.

26. The vehicle of Claim 25, additionally including at least a  
driver's side door in said enclosure, and wherein said hidden storage  
system is located intermediate said driver's side door and said rear door.

27. The vehicle of Claim 25, additionally including a cab  
section having at least one door therein, said cab section being located  
forward of said enclosure.

28. The vehicle of Claim 27, wherein said enclosure comprises a  
floor section, a bulkhead section, a pair of side panel sections, and a  
tailgate section, said hidden storage system being mounted in at least one  
of ~~said pair of side panel sections~~.

29. ~~The vehicle of Claim 28, wherein each of said sections are~~  
prefabricated as modules and assembled to form said enclosure.

B 30. ~~The vehicle of Claim 25, additionally including a plurality~~  
of hinged sections on said at least one side of said enclosure, such that  
outward movement of any of said hinged sections enables access to at least  
a portion of the interior of said storage box.

B 31. The vehicle of Claim 25, wherein said enclosure is provided  
with at least one wheel well on each side thereof, and wherein said  
~~storage box extends forward, rearward, and over said wheel well or extends~~  
~~is selected from the group which~~  
along a horizontal line above said wheel well.

32. The vehicle of Claim 31, wherein said at least one hinged  
~~section is located entirely above said wheel well~~.
